How to book?

Go to https://ucl.hospitalitybookings.com to book an event.

Log in to our booking system and have:

- A room booking reference number.
- A valid PTAE code.
- Date and time

The Project, Task, Award and Expenditure (PTAE) codes must be separated by a hyphen(-) with no spaces in between. The general expenditure code for food and drinks is 22151.

Eg: XXXXXX-XXX-XXXXXX-22151

However, please be aware that not all Projects (P) or Awards (A) codes allow the 22151 expenditure code. Hence, upon booking please ensure that the full PTAE code is valid and not just the PTA. If it is incorrect, we will need to contact you at the end of the month for a new PTAE code.

Please book furniture and cleaning for your catering event via the Room Bookings team as we do not provide this service.

Steps for Sustainablility

Reducing our impact

We reduce our environmental impact through delivering a primarily disposable free hospitality service mainly on foot!

Donate un-needed food

Sometimes plans change and less people show up than registered. Let us know during delivery and so we can donate any excess portions to St Mungo's Homeless Hostel.
Help us feed bellies not bins.

Powered by plants

We support the UCL campaign 'Powered by Plants' to reduce your department's carbon footprint. Switching to a plant-based meal can help cut emissions, save water, and protect biodiversity.

Sign your department up to the pledge and switch to fully plant-based catering.
